## ABOUT HARTFORD AREA HABITAT FOR HUMANITY

Hartford Area Habitat for Humanity is an ecumenical Christian housing ministry that works in partnership with low income families to build affordable housing. Habitat depends on grassroots support for labor and funding, accepting no government funds for construction. Working with volunteers of many faiths, Habitat for Humanity is not a giveaway program. Homeowners invest 150 hours of "sweat equity" and purchase their homes at cost. Habitat homes are sold without profit and at no interest. Mortgage payments from homeowners are used to build more homes.
